To: Kobayashi, Ann; Fukunaga, Carol A; Anderson, Ikaika; Chang, Steven; kpine@honolulu.gov; Martin, Ernie; Menor, Ron; Harimoto, Breene; Manahan, Joey; **Subject:** ** SPAM ** Ads on Buses Bill 69

Please kill this Bill ~ the cost to the general public that will have to endure these ads and the aesthetic penalty is simple not worth the money it is intended to generate. These are moving distractions on our already dangerous roads and highways (think texting and talking on cell phones while driving and mix in these moving images!). Please think long term, not the short term, short sighted goal.

Thank you for not passing this Bill.

aloha,

Linda Legrande

2243 Mohala Way, Honolulu 96822
